Plumbing system components for recreational vehicles

12 Self-contained, recirculating, chemically controlled toilets

12.1 Scope

Toilets covered by this section are self-contained, electrically operated, recirculating, and chemically controlled for use in recreational vehicles.

12.2 Applicable standards

Toilets covered by this Section shall meet the requirements of IAPMO TS 12, Section 6 (Function Test) and comply with IAPMO TS-12.

12.3 Marking and identification

Toilets shall be clearly and permanently marked with the following:

- manufacturer's name; and
- model number.
