Class II Type A2 Cabinets (BC-2007-4)

A. Johnson proposed to specify in section 3.4.2.2 that type B3 cabinets are not type A2 as implied in this section. A clarification would remedy this.

Motion: A. Johnson moved to change the language of section 3.4.2.2 to state “Class II type A2 cabinets (when exhausted to the environment were formerly designated type B3)”. D. Phillips seconded.

Discussion: None.

Vote: All in favor.

Motion passed. Language to be balloted.
