MEMORANDUM

TO: Joint Committee on Plastics

FROM: Robert W. Powitz, Chairperson of the Joint Committee

DATE: March 26, 2008

SUBJECT: Proposed revision to NSF/ANSI 14 (14i21r1)

Enclosed is the ballot for Draft 1 of NSF/ANSI 14 issue 21, revision 1. Please review the proposal and return your ballot by the ballot due date of April 16, 2008 via the e-balloting system.

Purpose

To update Section 2, Normative References of NSF/ANSI Standard 14.

Background

The proposal is to update the Normative References sections of NSF/ANSI 14. In section 2 there were nine proposed changes (in addition to publication year updates). Of those, two were removals, due to standards being withdrawn from ASTM, six were additions of new standard references, and one was simply a move to maintain numerical order.

This change was proposed to the JC at the 2007 meeting and was motioned to ballot.

Public Health Impact

None of the above issues have a public health impact.

If you have any questions about the technical content of the ballot, you may contact me in care of:
