

Joint Committee on Food Equipment

May 6, 2024

Proposed revision to NSF/ANSI: 52 – Supplemental Flooring (52i10r1)

Revision 1 of NSF/ANSI 52, issue 10 is being forwarded to the Joint Committee for consideration. Please review the proposal and **submit your ballot by May 28, 2024** via the [NSF Online Workspace](#).

Please review all ballot materials. When adding comments, please include the section number for your comment and add all comments under one comment number whenever possible. If additional space is needed, you may upload a MS Word or .PDF version of your comments directly to the NSF Online Workspace.

Purpose

The purpose of this ballot is to approve revised language in the normative reference list for Standard 52.

Background

Issue paper **FE-2024-05** highlighted the value of updating the normative reference list in Standard 52.

This Revision 1 approval ballot reflects the language presented by the issue proponent and is presented here for your consideration.

If you have any questions about the technical content of the ballot, you may contact me in care of:

A handwritten signature in blue ink, appearing to read "mgperez", with a long horizontal stroke extending to the right.
