A room block has been created and is open for reservations at both hotels listed above. To reserve your room at the NSF discounted rate, please click the booking link above, or call the hotel at the number listed. When making a reservation by phone, please tell them it is for the NSF Joint Committee on Drinking Water Additives, provide the date of the meeting, and verify that you are getting the agreed upon rate of \$140.00 per night before taxes for the DoubleTree by Hilton or \$179 per night for the Residence Inn by Marriott. Please be advised of the cancellation policy. If you are having any further issues, contact the hotel and they can direct you to their reservations service. Please be aware of both hotel booking deadlines as you may not receive a room at the discounted rate after that date.

Thank you in advance for your participation. We look forward to meeting with you!
