

## Technical Committee Application for GEC Criteria Development

Please complete this application to express your interest in participating on a Technical Committee for GEC criteria development, managed by NSF International. For more information on the process, see [GEC Criteria Development Process \(P74\)](#).

1) Please provide the following contact information

Name:  
Title:  
Company/Organization:  
City, State/Province:  
Country:  
Telephone:  
Email:

2) Please indicate which Technical Committee you are applying for:

3) Please select the stakeholder interest category that best describes the organization (or perspective) you will represent in the criteria development process:

- ☐ **Manufacturer:** Manufacturer of products or services covered by the scope of the criteria and their trade associations.
- ☐ **Other Industry:** Other businesses commercially engaged with the products or services such as:
  - Suppliers and their trade associations
  - Recyclers, repair and refurbish companies, asset management service providers, and their trade associations
  - Other types of businesses commercially engaged with the product
- ☐ **Sustainability Advocates and Government Policy:** Individual from a public agency (local, regional, state, federal, or international) or represents a professional public/environmental health/safety organization, data privacy and/or IT security, academia, or not-for-profit environmental organization.
- ☐ **Purchasers and Ecolabel Criteria Users:** An individual whose organization purchases, uses, or specifies products or services covered in the scope of the criteria. User/consumers and their trade association representatives, institutional purchasers,

third-party conformity assessment bodies (e.g., testing laboratories), and retailers are included in this membership classification.

- 4) Please describe your experience and qualifications relevant to the criteria development process or attach a resume or brief biography.

- 5) All participants are required to comply with the Participants Agreement (attached as Exhibit A) and shall be subject to these terms while participating in meetings or receiving access to documents.

*By signing this agreement, I agree to comply with all terms and conditions of the Participants Agreement (attached as Exhibit A.) I also understand this application is a voluntary request in order to review my qualifications for participation in GEC criteria development. To the best of my knowledge, the information contained in this application is correct.*

## GEC Criteria Development Participants Agreement

Participants in GEC criteria development must acknowledge and agree to the following terms before engaging in meetings or receiving access to documents.

- 1) I acknowledge receipt of the [GEC Criteria Development Process \(P74\)](#) policies and procedures that governs the development of GEC Criteria, and agree to work collaboratively and in good faith to achieve the goals and objectives of GEC criteria development.
- 2) If accepting voting membership on the Technical Committee, I acknowledge receipt of the [NSF International Criteria Development and Maintenance Procedures](#) that govern the activities of the voluntary consensus body, and accept the responsibilities of membership outlined therein.
- 3) When joining an Expert Ad Hoc Group or accepting an appointment to a Technical Committee, as a condition of membership and participation, I expressly acknowledge and agree that copyrights and all rights to materials produced by or for GEC criteria development are owned by GEC and that GEC will register the copyright in its own name.
- 4) Except for information approved for public dissemination by GEC or NSF (e.g., meeting minutes), I agree to keep confidential all information shared by participants or otherwise disclosed or made available in the process, unless the information is publicly available outside of the GEC criteria development process. I also agree to limit the distribution of draft or final work products of the criteria development process to individuals within my organization and only as necessary to advance the objectives of GEC criteria development.
- 5) I acknowledge that the names of all individuals and the organizations they represent, if applicable, participating in GEC criteria development are publicly available in accordance with the [GEC Criteria Development Process \(P74\)](#).
